that excited about cryptocurrencies.
There, I said it. It's true. It's one of
the reasons I chose to become a web
developer and web designer. While I

enjoy the benefits of technology, I just don't like most of the buzz surrounding it. However, when I have some spare time on my hands, I like to look for interesting topics to read on Steemit. For the last week, I have been looking for interesting topics to read on
