In addition to AutoCAD, you can also use the software to create, manipulate and view AutoCAD DWG and DXF files. Using AutoCAD or AutoCAD DWG/DXF for commercial purposes, such as designing or producing products, is not covered by the software license. If you are using AutoCAD or AutoCAD DWG/DXF in a non-commercial capacity, check the Autodesk web site to see if licensing is available. When you are using AutoCAD or AutoCAD DWG/DXF for commercial purposes, make sure to check the licensing terms for your
