A rant about how I feel about politics, and the world in which we live in. One of the things which has always annoyed me about politicians, which I can only regard as selfish and silly, is the way they do everything they can to bring about the amount of taxes they get. How they work hard to get their hand in the till. That's a simple fact, and a very human one. There are always going to be people who will work hard to exploit any loopholes they can find, and the same
