Big Cass & Mason Crowned World Tag Team Champions Monday Night Raw ended in great fashion on December 7th with the final tag team match of the night. After Roman Reigns went to attack a referee during the Triple Threat Match, Becky Lynch was made to use the steel chair on his legs. The original match was contested by Samoa Joe and Braun Strowman versus Kane and Daniel Bryan. After allowing Joe to beat Bryan down for a while, Braun made the save. The two teams were forced to battle each other. Some of the fans were upset that Joe's team didn't get some
